EXPERIENCE

OpenCode Mentor and Organiser

Geekhaven, IIIT Allahabad

December 2024 - January 2025 IIITA, India

- Maintained GraphicGig, a design based repository with 200+ pull requests and 50+ contributors. Mentored 120+ students to contribute to open source and collaborative development.

Design Wing Member

Geekhaven, IIIT Allahabad

October 2024 - Present IIITA, India

- Led the UI/UX redesign of the Geekhaven and Opencode website, enhancing the digital experience for over 600+ users. Taught graphic design to freshmen at IIIT Allahabad, covering design principles and software skills.

Design Development Wing

Alumni Meet, IIIT Allahabad

August 2024 - Present IIITA, India

- Built a platform connecting 1000+ alumni and students for mentorship and networking, and crafted all supporting design collaterals — brochures, certificates, invitations, and posters — to drive engagement.

Design Head

Efferescence, IIIT Allahabad

May 2024 - Present IIITA, India

- Led the UI/UX design of the official app and website for Efferescence, our flagship cultural fest, to deliver a seamless and vibrant digital experience.

Social Media Head

Prayaas, IIIT Allahabad

August 2024 - Present IIITA, India

- Lead design operations and handle end-to-end social media management.

PROJECTS

Geekhaven Website
